

Modernize your system of agreement with the DocuSign Agreement Cloud for Government

Serve people, not paper.

Government workers are often inundated with paperwork. The DocuSign Agreement Cloud was designed so that government workers could spend less time on process and paperwork and more time on what matters most: Their mission. The DocuSign Agreement Cloud digitally transforms the entire agreement process so workers can easily navigate complex documents. With a simpler and more effective way to do business, government workers and citizens will be empowered to enact positive change.

What we offer

Reduce cost and hassle

Eliminate manual tasks around signing, routing, and filing paperwork.

Deliver superior service

Deliver a better digital experience with self-mobilized electronic signatures, self-service forms, and streamlined document management.

Mitigate risk

Protect sensitive data with built-in audit trails that stand up in court.

Protect your critical data and assets

DocuSign meets the highest international security standards to ensure that your documents and data are always protected.

Key use cases

Case management

Serve more people with a secure, intuitive platform that enables agencies to manage large volumes of sensitive documentation.

Correspondence management

Manage communications and record requests easily, securely, and collaboratively with secure document sharing.

Social services

Create simple, user-friendly service forms for citizens applying for and receiving public services.

What our customers are saying ...

“Using DocuSign, we’re putting Nevadans to work faster, making government more user-friendly, and increasing transparency and efficiency.”

–Teresa Schlaffer, Business Process Analyst, Nevada DOT

How does it work?

The DocuSign Agreement Cloud for Government has been designed to streamline business processes for workers across government agencies of all levels. DocuSign is making it easier for citizens to engage with their chosen form of government using intuitive tools like self-service forms and mobile applications. And, with services that take the hassle out of tracking documents and automate the entire agreement process, the DocuSign Agreement Cloud for Government is revolutionizing the way citizens and workers participate in government.
